eko
FOOD

- Gurme212 belongs to the EkoFood Group which was founded by Turkish and Irish investors.
- Gurme212 has established its headquarters in Istanbul, and has a BRC AA accredited factory in Akhisar Organized Industrial Zone. Akhisar is 80km away from Izmir where the export gateway of Turkey, Izmir Port is located.
- The factory is specialized in ecological IQF oven semi dried, sun dried, chargrilled & dehydrated vegetable / fruit production. High-tech machinery allows the products to be produced without any human touch with full machinery used in a closed hygienic environment.
- In addition to other natural products, variable available products, the company also accepts customer specific production according to EU,US,UK, Canada, Japan and Australia health and quality standards.
- Quality management of farming is also done by the company agricultural engineers. Raw products purchased as per yearly contracts directly from producers (farmers).
- All necessary microbiological, physical and chemical testing of raw and final products are done by our in house Eko Lab and also by third party institutes.

Sun Dried Tomatoes with Salt

Usage

Sun dried tomatoes are tasty all year round! Like other dried fruits, dried tomatoes are very easy to prepare. Heat the water and add tomatoes for 20 minutes. Rinse with a paper towel and your tomatoes are ready to serve for pasta, pizza, sandwiches, soup, or neat. You can marinate and season them according to your taste.

Ingredients

Sun dried tomatoes, salt.

Sun Dried Tomatoes Marinated in Oil

Usage

This product contains thyme and garlic which makes it a perfect ready to eat product. You can even use the remaining oil for your salads and pastas after eating the tomatoes. It's a great taste booster that has been produced by sundrying the high brix tomatoes of Izmir and Manisa regions.

Ingredients

Sun dried tomatoes, vegetable oil, olive oil, vinegar, garlic, salt, sugar, basil, marjoram, onion.

Red Slow Roasted Tomatoes in Oil

Usage

Oven semi dried tomatoes are closer to natural tomatoe taste than sun dried tomatoes. The semi dried tomatoes are juicier and lighter in color, and are also sliced. They are then put in high quality ovens for 6-7 hours with low temperatures. Dehydrated slowly, semi dried tomatoes preserve their taste in flavored oil for long time without any additives.

Ingredients

Slow roasted tomatoes, vegetable oil, garlic, thyme, salt, spice mixture.

Semi Dried Cherry Tomatoes Halves in Oil

Usage

In addition to pizzas and salads, you will be surprised how well this product goes with shrimps and salmon. We highly recommend it as an ingredient to sandwiches with labelle cheese. Antalya's sweet cherry tomatoes are favorites of both children and adults. They include more flavor with lower acids. These tomatoes are the sweetest in the world!
